Meet the Neighbors

Connie Hardin, and her brother, Richard are both longtime owners at Christie Village. Their parents bought the units back in the 80's, and when they passed away, the units were left to the children.

Over the years, Connie has made many trips to the condo, both as a child and as an adult. She has visited all the local attractions, but her most memorable day trip was driving from Christie Village to Tennessee and white water rafting on the Nolichucky River. <http://www.noc.com/whitewater-rafting/nolichucky-river/>

Connie married Randy, who had been a bike rider in his teens. Randy stopped riding for many years, but after a heart attack in 2005, Connie and Randy made the decision to finally go ahead, buy a bike, and get riding. They bought their current purple bike- a real beauty- in 2008. They now ride almost every weekend.

Connie and Randy, from Orlando, Florida, made a recent visit to Christie Village, and took advantage of the cool Fall weather to ride the area roads. Connie showed us the latest in bike boot wear-

Connie and Randy have a 26 year old daughter and a 3 year old grand-son, Conner. They are looking forward to bringing Connor to Christie Village, and taking him to Grandfather Mountain, Tweetsie Railroad and especially taking him creek walking. Connie and Randy rode off into the sunset, but they'll be back!
