

CHRISTIE VILLAGE

WINTER PREVIEW

2015/2016

We have already begun to see the effects of the season change from summer to fall at Christie Village. Beech Mountain, being the highest town in eastern America at 5,506 ft. will see the leaves in full display of color by the end of September.

October brings to Beech Mountain the traditional events of OZ Weekend (Oct 3-4, 2015) and Wooly Worm Festival (October 17-18).

We are reminded how quickly we must be planning for snow and skiing!

NEWS OF THE **2016** SKI SEASON

Looking for a great deal on a season pass? Beech Mountain Resort's "super saver" sale is back! Beginning Monday, Oct. 5, a limited quantity of season passes will be available at the discount rate of just \$400. These passes provide unlimited skiing and snowboarding for the entire 2015-2016 season. Only 200 of these super saver passes will be sold, so be sure to order quickly because once they sold out, they're gone for good.

Beech Mountain Resort is poised for a great winter thanks to a busy offseason of upgrades. Those upgrades include 14 new SMI Super PoleCat snow guns, a complete renovation of the Beech Tree Bar and Grille, significant improvements to the high speed quad and other lifts, and the installation of new, state-of-the-art snowtubing park. Keep in mind that only 200 season passes will be released Oct. 5, so be sure to order yours!

Another nice option for regular skiers and snowboarders is renting a locker for the season. Season lockers are available for just \$125. The lockers are located in a private locker room in the Beech Tree Village. The room features 93 individual/family lockers and is a short walking distance to everything. Locker season pass holders enjoy private bathroom and door access at an annual rate of only \$125 per locker.

Be sure to book your accommodation at Christie Village and enjoy the winter activities @ Beech Mountain Resort.

As part of the renovation of the Beech Tree Bar and Grille, the resort is resurrecting the Red Baron Room. The Red Baron Room is a private club which originally opened in 1970 in the bottom level of the Beech Tree. The room is authentically decorated with World War I flying memorabilia and dedicated to German flying ace Baron Von Richthofen, known as the Red Baron. This unique room, which has not been used for many years, has been remodeled and will be available only by private membership. Membership in the Red Baron Room for the 2015-16 season is \$100 for individuals, and \$175 for families (immediate family members only).

You may purchase season passes at beechmountainresort.ltibooking.com/#passes

or over the phone. Please call to purchase season lockers and Red Baron memberships.
